An essential addition to any transportation toy library, this is the book that bus lovers have been waiting for! Over 1,500 toy buses are shown in full color, from early buses to transit and trolley buses to school buses and modern luxury coaches. They are organized alphabetically by manufacturer, with over 250 toy makers represented. Buses from thirty countries on five continents are included, dating from 1905 to the present day. The eye-catching coaches are

shown in the correct liveries (trim) of the bus companies. Bus memorabilia and current values for all models shown also included. Hop aboard to experience this wonderful showcase of worldwide bus toys!
