Terrific coverage of familiar cookie jars w tons of color photos of Smiley, Corn series, etc.. I will have to find other sources to research non-kitchen wares. 0 of 0 people found the following review helpful. Ok reference for an old book. By Ohio Sandie Not what I expected, but it was inexpensive and gives me some background. Book is in like new condition so I got a great deal. 1 of 1 people found the following review helpful.
