Mike Mueller : The Complete Book of Classic Dodge and Plymouth Muscle: Every Model from 1960 to 1974 (Complete Book Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Book of Classic Dodge and Plymouth Muscle: Every Model from 1960 to 1974 (Complete Book Series):

0 of 0 people found the following review helpful. Great photos and commentary to send Mopar fans down memory lane. By GAB1500 This is a great book for anyone who is, or grew up as a Mopar fan. Found myself saying "I had one of those" numerous times and reminded myself how little foresight I had back then for not keeping all, or even one of them. Lots of photos and stories about production (why, where, how many, etc) that really brought back fond memories. Even if you weren't around back then, you'll still enjoy the book if you're a muscle car person. 4 stars because of the semi-hard binding. Not quite paper back but not hard bound either. Would be a better coffee table book if the corners didn't get bent or creased (which they did a little in shipping). Great book to reminisce about mis-spent

youth.0 of 0 people found the following review helpful. Awesome book!By Kindle CustomerI call this my "Mopar Bible" simply because it contains everything you ever wanted to know about Mopars. Slick images and more data that you will ever want. Great book, great reference material.0 of 0 people found the following review helpful. Five StarsBy Customerwell written

From lifelong car enthusiast and photographer Mike Mueller comes the most expansive overview of Chrysler Corporation's muscle cars ever published.

From the Back CoverThis is a muscle car book like no other muscle car book. Heavily illustrated with beautiful photographs from author Mike Mueller and images from Chrysler's extensive historical archive, The Complete Book of Classic Dodge and Plymouth Muscle offers an in-depth look at every model produced by the Chrysler Corporation from 1960 to 1974. From 'Cudas and Chargers to experimental models, pace cars, and specialty packages, they're all here.
