From Dover : The Crystal Palace Exhibition Illustrated Catalogue (Learning Series, Monograph 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crystal Palace Exhibition Illustrated Catalogue (Learning Series, Monograph 1):

0 of 0 people found the following review helpful. Time capsule from 1851 By The Professor This is totally cool. It is a reprint of a period publication from the Great Exhibition, with full text and great illustrations. Pity it is a kind of collector's edition now by itself, since it was done in 1970. If you like Victoriana, this is a great book for you. 0 of 0 people found the following review helpful. Five Stars By Art Brevis Absolutely what I expected. 0 of 2 people found the

following review helpful. great exhibition catalogueBy OjCI am fascinated by the 1851 exhibition, if only GB could do as well now? just compare the Crystal Palace with the ugly pimple by the Thames for 2000!! This book is in very good condition, a slight whiff of tobacco smoke but no problem.Jim Clarke

One of modern world's wonders, in which civilized nations exhibited achievements in arts and sciences. More than 1700 items pictured with accompanying text: cast-iron work, pianos, sleds, billiard tables, hundreds of other artifacts. Largest collection of Victorian decorative art ever assembled. xxxvi + 426pp.
