Stephen Scher : The Currency of Fame: Portrait Medals of the Renaissance before purchasing it in order to gage whether or not it would be worth my time, and all praised The Currency of Fame: Portrait Medals of the Renaissance:

7 of 7 people found the following review helpful. EXCELLENT!By Travis S. CantwellI bought this book on a whim. I've thoroughly enjoyed it! Full page images of some spectacular medals. Very nice photographs! Easy to read and understand. I highly recommend adding this one to your art book collection.

A study of the portrait medals as manifesto for the humanist cult of personal fame and as a vehicle for the finest artists of the age. This is a huge book, with nearly 500 illustrations.
