By dmr4691[[VIDEOID:5d93764b8c003980e17f41b76628ef18]] Dimensions: 8.5 x 11 inches Paper back Glue bound on left Non-perforated pages Paper weight. 60 lb 20 single sided illustrations, plus 2 bonus pages Good for all ages and skill levels In Cutie Patooties, Volume 1, Amanda introduces you to her adorable little Cutie Patootie girls that are only a few inches tall. Join them through all of their little adventures. There are over 20 illustrations. The illustrations are 3/4 to full page in size. There is enough white space border to allow for easy removal for framing and coloring. Amanda includes 2 color test pages as well as an artist info page that includes her links to her work. The illustrations are detailed with nice balance of open spaces and smaller detail. Those with vision or dexterity issues should not have any difficulty coloring these. The lines are crisp and clean, varying in thickness. You can use most coloring media on this

paper. If using alcohol markers, use blotter pages to protect against bleed through, and if using wet media such as waterbased markers or watercolors, I recommend copying to heavier weight paper to prevent paper wrinkling. 0 of 0 people found the following review helpful.
