Great for all ages and skill levels.By dmr4691[[VIDEOID:6d797dc3b034f040bcb37b14f382f9a1]] Review by Deb RucinskiPaperback. Dimensions: 8.5 x 11 inches. 20 full page, single sided illustrations. Non-perforated pages. Glue bound on left. Paper weight 60#, medium. Good for all skill levels. Includes color test pages.The Cuties are back in all their delightful, charming playfulness. Volume 3 includes 20 hand drawn, original illustrations. This images vary in detail and have plenty of open spaces, making this a great book for those with vision or dexterity issues.You can use most coloring medium on this, but make sure to use blotter pages when using markers to prevent bleed through damage. If using watercolor or other wet media, I recommend to copy to heavier weight paper. This is normal for this weight of paper.0 of 0 people found the following review helpful. 1st, two Vol were awesome, this will be, too!By
