It is a bit out of date but gives a beginning collector a range of prices and items to look for. Very pleased with this purchase2 of 2 people found the following review helpful. Never enough input when you need it--here is a great source!By Gary R. KingThere is never enough views of the "true value" of something and a clear look at the marketplace to see what is really out-there. This book helps greatly in both areas and sits in my collection!0 of 0 people found the following review helpful. Five StarsBy CustomerVery pleased.

Chips away prices for all golf memorabilia, Balls, books, painting -- 2,000 fully illustrated items include names of craftsmen, manufacturers, artist, authors and detailed inventories. Ideal for dating any kind of golf memorabilia.
