By louise I have been enjoying traveling for many years...I always bring home a calendar for the next year from the place I visit. When the following year rolls around I search for other calendars available here in the USA to remind me of my trimes abroad. This certainly fits the bill. The pics are poster art and very well done...nice for yourself or for a gift. Highly reccommend.

By Robert J. Scheppy I am very pleased with this calendar. Every month has cheerful, colorful world posters. The days are large enough that I can down appointments.

By Robert L. Brock Great smaller-sized calendar. Perfect size for low cubicle walls. Good pictures. I'd recommend this to any travel agent wanting a work-themed design!

As Gene Shalit said on The Today Show, "Johanna Kriesel's fanciful artwork makes me yearn for the Golden Age, a time when stylish travelers preferred the luxurious ocean liners of yesteryear." Johanna has been creating unique products for Linnea Design since 1997. Months and days are in both English and French.
