Linnea Design : The Golden Age of Travel 2013 Wall (calendar) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Golden Age of Travel 2013 Wall (calendar):

0 of 0 people found the following review helpful. Vintage Travel Calendar By Fountain Cokes I am a big fan of vintage calendars, so I was eager to purchase this 2013 calendar. It's very colorful and makes a great addition to my wall. The reason I rated it 4 stars instead of 5 is because I'm not a huge fan of every picture. Some of them are a little dark for my liking, but nice nonetheless. Nothing I can't deal with for 30 days. Also, I was really pleased with the delivery, came about 2-3 days after I ordered it. 0 of 0 people found the following review helpful. It calendars like a calendar should By Mollie There's not too much to be said. It's a basic calendar, well made with all the right dates on it, perfectly readable and all that good stuff with lots of space for writing notes. Really all you need to do is look at the illustrations to decide if it's something you'd like on your wall. I personally love them. They're all done in a simple, classy art deco style, and I really like how vibrant the colors are. They're definitely pictures you can view and enjoy from all the way across the room. 0 of 0 people found the following review helpful. Wonderful Images! By Customer I love my Linnea Poster calendar, so when I saw that they offered a wall calendar with travel images, I tried it out. The pictures are wonderful! The paper quality could be a bit better (feels kind of flimsy) but most calendars are like that now, so this was not surprising.

Johanna Kriesel's fanciful artwork is reminiscent of a bygone era of travel to exotic destinations. Johanna has been

creating unique products for Linnea Design since 1997.
