Kevin Muramatsu : The Gun Digest Book of Centerfire Rifles Assembly/Disassembly before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gun Digest Book of Centerfire Rifles Assembly/Disassembly:

1 of 1 people found the following review helpful. Nice basic bookBy NWFXNice basic book, it's in black and white and does not go as far in depth as you would expect. If you know how things are put together you don't need to buy this book.0 of 0 people found the following review helpful. If you are looking for a parts break down stay away from Gun Digest publications.By CustomerI was expecting break downs of these guns, showing different parts, rather than pictures that are not clear and show no parts that I can equate to part numbers. There is no way I can see to preview the interior of these books but i relied on the Gun Digest name as a quality publication. One star is the lowest Grade I can give. I could return but that is a hassle.1 of 1 people found the following review helpful. Very useful if and only if your model is coveredBy LaarThis like many of the gun digest assembly/disassembly guides this book is very well

written and well illustrated. Like all of these guides if your fire arm is included the guide is of great value. If not included be very careful. This book should be supplemented with exploded views of the fire arm.

Cleaning, repairing maintaining your centerfire rifle has never been easier! Gun Digest Book of Centerfire Rifles Assembly/Disassembly 3rd Edition is the indispensable guide to DIY disassembly, repair and reassembly of today's most popular centerfire rifles. Step-by-step disassembly and reassembly instructions cover 68 popular models and hundreds of closely related variants. Plus, this revised and expanded edition includes the addition of newer rifles from CZ, HK, Howa, Mossberg, Remington, Rossi, Ruger, Savage, Springfield, Thompson/Center and more! Detailed photographs and clear, simple instructions make it easy to disassemble and reassemble a wide range of modern and vintage models. Gun Digest Book of Centerfire Rifles Assembly/Disassembly 3rd Edition is your go-to source for time- and money-saving disassembly techniques for today's hottest firearms.

About the Author Kevin Muramatsu regularly writes gunsmithing columns for Gun Digest the Magazine, is reloading editor for the Gun Digest annual book, and authored the most recent editions of Gun Digest assembly/disassembly books for rimfire rifles, pistols, and shotguns.
